Riser Frame Vertical Utility Chase Housing Divider

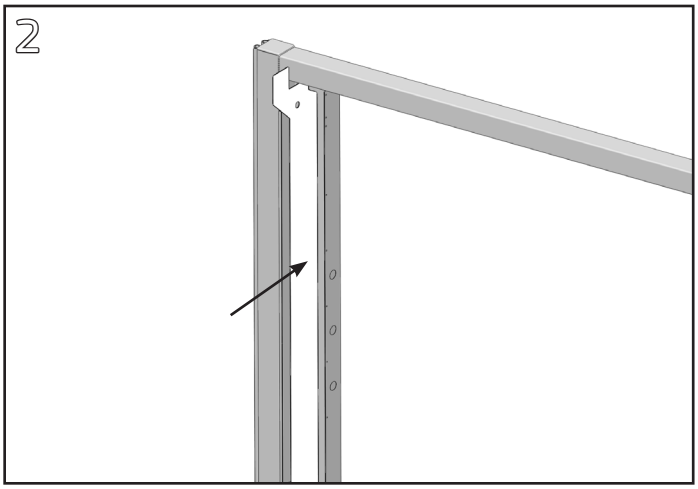

Product Numbers
- VUCHD43

Hardware Pack: VUCD43HP (p/n 18011212-03)

Required Tools
- none

Apply the double-sided tape to the back flange of the divider.

Before installing covers on the Vertical Utility Chase Housing, align the bottom of the divider with the bottom of the housing and adhere the divider to the back of the housing channel at the desired location.
